Note: We realize that on Friday, April 26th, you will need to **cut short** your time in Grand Turk, but the lounge we are using (for our private performances) was only available at certain times throughout the week. This is why we decided to give two full days without shows, thereby allowing plenty of time in ports of St. Thomas and San Juan. In Nassau, we must be back onboard by 1:00 (or 1:30) p.m., thus our show time will not interfere with port time.

Can I get a “Yeah, Baby!”? Our awesome MC, **Ronny Craig**, will perform at all shows as time allows.

Color-coded Tickets/Seating: Please be aware that we will have **color-coded seating** for the onboard shows. We ask that everyone adhere to this policy. (Sit in section which matches your ticket color) By doing so, everyone is afforded the opportunity to have choice seating twice during the week.

Above all else....enjoy your cruise! And....THANK YOU for sailing with us!
